PEACE!

Beloved Ones:

It is My Joy and Honor to incorporate in the pages of this Bulletin the Words of Surya, Hierarch of the beautiful Foci of Peace and Lasting Supply:

Love and Blessings

MAHA CHOHAN.

****

Beloved Surya Speaks:

"Eternal Peace I bring to you from My heart! Accept, lovely ones, that Abiding Peace into your souls, your minds, bodies and worlds! Not the passing peace of the human consciousness which is here today and tomorrow is gone but the Enduring Peace which comes when the emotional body is purified of all distress, the mental body is cleared of all impurities, the etheric body cleansed of all past memories of an imperfect nature, and the physical vehicle itself (which is the repository of all such distress) again regains its purity, dignity and strength, expressed in beauty of spirit here and now.

Beloved ones, during this thirty day period (September 15th through October 14, 1959) your lovely Sponsor will bring you, at your request, through the gift of projected consciousness, to Our Foci where you can absorb that peace which We have Magnetized and Which is Our gift to all life belonging to the Earth's evolutions. Then, it becomes your responsibility to direct that Peace forth for the increasing of a lasting Peace in your own vicinity, nation and finally the Earth Itself.

Thus, the inter-change of our Lasting Peace, a God Virtue drawn from Our hearts, with your love for Us, created a beautiful united consciousness of interwoven life.

Suva is called a Foci of financial supply! / No lasting supply of any good or perfect gift can come to life without the establishment right within the heart of each individual on Earth of the Lasting Peace which We give to you and shall help you to sustain! / On the very rhythm of Our Life flows that Peace and over the life-line of such Peace flows Supply of every God-Gift, / including finances, / health of mind, / body, / soul / and liberation of Spirit to express the Divine Plan fulfilled through each individual's being. /

Therefore, stretch forth your dear hands and blessed hearts to Us by sending Us your life and love, and We SHALL send to you and sustain through you for the benefaction of all life, OUR gifts of love and light. Is this not a reasonable arrangement? I thank you and I know that you, too, in your way, can accept the reasonable Partnership between Divinity's Realm and the realm of human consciousness!

The planet Earth requires that Lasting Peace so much, among nations, nationalities, and through the illumined ones. You are Our intermediaries for the bringing of a Lasting Peace to the peoples of Earth and all that live upon It now or are to live upon the Earth in the future. Accept this honor and carry the Peace of Our Hearts into your worlds and then into the entire human race! Enfold the Angelic Kingdom in that peace and the elemental kingdom too! Great shall be your reward for such service for you, too, even as We, become Peace Commanding Presences wheresoever your dear physical vehicles, under God-direction, place you! Remember I, and All The Ascended Brotherhood at Suva are yours to command and but await your invitation to give to you all of the Lasting Peace you desire for yourselves and to disseminate to the world around you

According to the Peace you give, will you receive more peace, for that is

the eternal Law of the Circle! Command, you, Us, We are always your Obedient Servants. For this, We have foresworn Nirvana and sustain to this crucial hour Our Foci of Peace. Now, you shall share Our responsibility as well as the joy of expanding God Peace! I thank you!"
